NEEWSLETTER 2

Shadows of Occupation – A Journey Through History and Digital Innovation

PROJECT NUMBER: 101174535

Kick-off Meeting in Liechtenstein

We are excited to share the highlights of the Kick-Off Meeting of Shadows of Occupation in Ruggell, Liechtenstein, on the 10th of February 2025! This milestone event was the official start of our initiative, bringing together project partners from Liechtenstein, Greece, and Spain to set the foundation for this ambitious historical and cultural gaming project.

Kick-off Meeting Objectives

The meeting provided an opportunity for partners to collaborate, discuss project objectives, and set the roadmap for the upcoming months.

Our key objectives included:

✅ Promoting historical accuracy and cultural awareness – ensuring that the game reflects real historical events with depth and authenticity.

✅ Encouraging diversity and inclusion – incorporating narratives from marginalized communities to foster empathy and understanding.

✅ Strengthening digital storytelling techniques – integrating engaging gameplay mechanics to enhance the educational experience.

✅ Enhancing cross-border collaboration – working closely with historians, educators, and game developers across Europe.

Meeting Agenda's Highlights

📌 **Partner Introductions** – Each partner organization presented their role and expertise in the project.

📌 **Project Goals & Timeline** – A structured work plan was reviewed, including major milestones and deliverables.

📌 **Work Package Discussions –** Detailed discussions on the Historical and Cultural Game-Based Learning Framework (WP2), Game Development & Design (WP3), and Cultural Sensitivity & Inclusivity Assessment (WP4).

📌 **Communication & Dissemination Strategy** – Outlining methods to maximize engagement and outreach.

📌 **Next Steps** – Assigning tasks, setting deadlines, and planning for upcoming research and development phases.
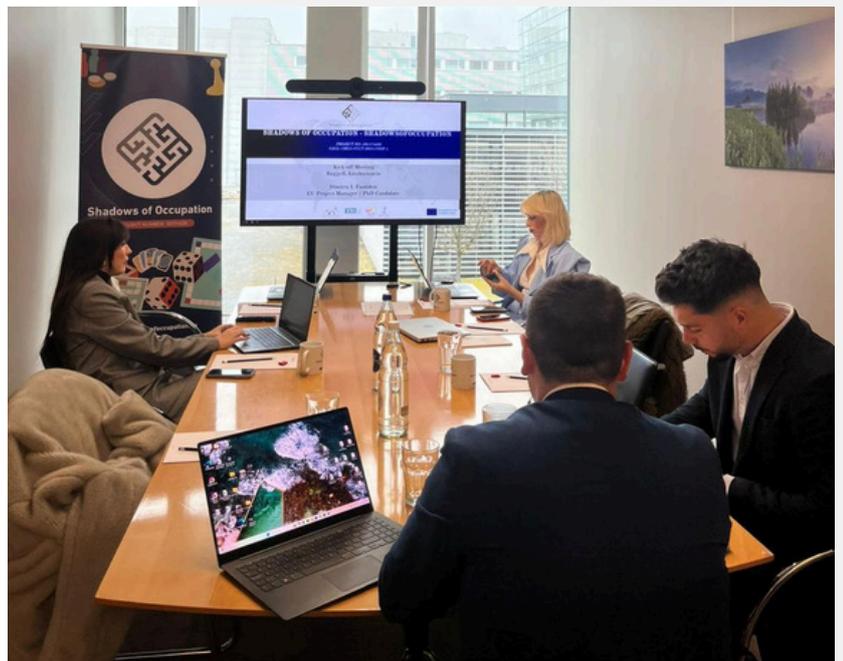

What's Next?

The next steps involve:
- Conducting in-depth historical research and cultural analysis.
- Initiating game design and development based on our research findings.
- Engaging stakeholders and gathering community feedback
- Launching our dissemination activities, including videos, newsletters, and promotional events.

Stay tuned as we continue our journey in developing this innovative historical gaming experience!
